Since 1999, CPU has been the premier SonicWALL Gold Medallion Partner in the northeast. Our commitment to exceptional customer value and SonicWALL support is unrivaled. With over 1000 active SonicWALL customers (including over 300 K-12 schools) we have the resources and buying power to deliver value on every SonicWALL need.

Why has CPU been the most trusted SonicWALL partner in New England since 1999?

**Exceptional service** before, during and after every project. Our team of highly trained SonicWALL security professionals will help you design the most secure, robust and cost effective solution for your business.

**Value.** We buy SonicWALL products at the lowest price point in North America and pass along that savings to you.

**Comprehensive support.** Our 24x7 SonicWALL support team is available to answer questions or notify you when an event occurs which breaks a security policy or uptime requirements. Benefit from our customized reporting site and automatic backup of firewall configurations.

**Professional services.** Rely on our expert security team to assist with on site installations and remote deployments. We keep costs low by delivering many of our projects with the use of remote technicians.

**Same day hardware replacement.** We are the only partner in the Northeast who guarantees same day hardware replacement in the event of an appliance failure. We can courier a replacement unit or have you pick one up at our Woburn, MA headquarters. Call for details.
